Lightning Strikes Inc. and Imagility Inc. announced today that they have agreed to a merger, after which Lightning Strikes will become a subsidiary of Imagility.

Lightning Strikes, headed by David Pringle, designs, manufactures and rents effects and specialty lighting, including its patented Lightning Strikes® and SoftSun® lines. Equipment from Lightning Strikes has been used in the production of thousands of feature films, television series, and commercials over the last two decades, as well as numerous sporting events, concerts, and other live events. It has garnered two Technical Achievement Awards from the Academy of Motion Picture Arts and Sciences and an Emmy from the Academy of Television Arts and Sciences. After the merger, David will become a major shareholder in Imagility and will remain as President of Lightning Strikes.

Imagility is a new venture headed by Eric Golden, formerly Executive Vice President and General Counsel of Panavision Inc. Imagility will bring new resources to Lightning Strikes and will help the company explore new products and new markets. In the future, Imagility will build on the foundation of this merger by acquiring other businesses and technologies that provide complementary value-added products.
